

Label	Text	Why it's a good test		
neg	The interface is terrible.	Contrast: Starts positive, ends negative.		
pos	It isn't the cheapest.	Nuance: Uses a negative word ("isn't") for a positive result.		
neg	I expected so much.	Context: No "bad" words, but the sentiment is clearly negative.		
pos	Surprisingly good.	Adverb test: Tests how your Cleaning Agent handles "Surprisingly."		
neg	A total waste of time.	Intensity: Strong negative weights for your Naive Bayes model.		
pos	Simple, elegant, clean.	Clean Positive: To verify the model still gets the easy ones right.
